The Franklin County Regional Planning Commission – April 24, 2018.

The Franklin County Regional Planning Commission met in a regular session on April 24, 2018 at 6:00 PM in the Franklin County Courthouse.

The members present were Chairman Dave Van Buskirk, Vice Chairman/Secretary Eddie Clark, John Woodall, A.L. Shasteen, Steve Dixon, Michael Rudder, Jeremy Price and Greg Houston. Also present was Planning and Zoning Director/Building Commissioner Janet Petrunich. A Visitors' List is attached.

Dave Van Buskirk described the procedures and protocol of the meeting.

The minutes for the March 27, 2018 meeting were approved as written on a motion by John Woodall, seconded by Jeremy Price. All aye.

Dave Van Buskirk presented Case No. 05-18; Rezoning; Applicant: Tom Ore, Agent for Kay Leahon. Location – 15th Civil District; Parcel 10.00, Franklin County, TN Property Map No. 54, located on Old Tullahoma Road (U.S. Highway 130) and Pine Bluff Road. Janet Petrunich read the Staff Report and the returned adjoining property owner notices. Van Buskirk asked for questions or comments from the board. There were no comments or questions from the Board. Van Buskirk opened the meeting to the Public. Jim Johnson questioned as to if this was the board that would address safety concerns regarding the roadways. John Woodall offered that he could not deny driveway access to Pine Bluff Road. Jeremy Price stated that the State would address any safety concerns regarding driveways connecting to the State R-O-W. Larry Brewster expressed his concerns in regards to motorists traveling south on Highway 130 turning right onto Pine Bluff Road. Lee Rohrer offered that Pine Bluff Road was already a busy road. John Woodall offered that driveway access to Pine Bluff Road could not be denied if the site distance was good from the proposed driveway. An unnamed person suggested that there would not be any visibility towards Tullahoma if a house were put on the corner lot. Van Buskirk stated that there was a setback requirement. Petrunich offered that the minimum required setback on the proposed lots fronting Highway 130 would be 60 feet from the R-O-W, not the existing pavement. Brad Pearson questioned Jeremy Price as to the process of traffic studies. Price offered that traffic studies were done by traffic engineers based on crash data and other data, if brought to their attention. Pearson offered that you could not make a right turn off of Highway 130 onto Pine Bluff Road if a vehicle was on Pine Bluff Road at the intersection of Highway 130. Pearson also offered that whether the subdivision went in or not the current intersection needed to be widened. Phillip Custer addressed the proposed lots fronting on Highway 130 and whether or not they would receive access approval. Price explained the State Highway Entrance Permit process. Sherry Northcutt suggested a turning lane coming from Winchester for Pine Bluff Road. Price again suggested that someone may want to request a traffic study. Linda Simmons expressed her concerns about flooding on the rear of her property, if they develop the subdivision. Petrunich stated that one of the conditions set last month for Preliminary Plat approval, was the requirement of a drainage plan. Simmons also inquired about her septic

field lines that were located on the subject property. Petrunich suggested that she might want to consult with an attorney for legal advice. Frank Luttrell voiced his concerns about traffic, and water drainage. Van Buskirk offered that a drainage plan was being required. Tom Smith asked about re-subdivision. Petrunich explained the subdivision process and re-subdivision process with easements. Eddie Clark offered that no houses could be built until the final plat was approved, and that the final plat could not be approved until the drainage plan was approved. Michal Rudder made a motion to recommend for the rezoning to R-1, Single Family Residential. Jeremy Price seconded the motion. All aye.

Dave Van Buskirk presented Case No. 06-18; Preliminary Subdivision Plat Review; Applicant: Tom Ore, Agent for Kay Leahon. Location – 15th Civil District; Parcel 10.00, Franklin County, TN Property Map No. 54, located on Old Tullahoma Road (U.S. Highway 130) and Pine Bluff Road. Janet Petrunich read the significant portions of the Staff Report. The returned adjoining property owner notices were read in the previous rezoning case (Case No. 05-18). Van Buskirk reiterated conditions regarding drainage, and easements for the audience. John Woodall offered that if the audience wanted to draft a letter in regards to an intersection traffic study and send it to his office, he would make sure it got to the right place. Greg Houston made a motion to approve the Revised Preliminary Plat for Whispering Pines Subdivision based upon the Staff recommendations and discussions, subject to the following conditions:

1. The property be rezoned to R-1, Single Family Residential.
2. Plans of proposed utility layouts showing connections to existing or proposed utility systems to be shown on the plat.
3. Contours (field surveyed or taken from aerial photographs acceptable to the planning commission), be shown on the plat, unless specifically not required by the Planning Commission.
4. Provide a drainage plan, designed by a certified engineer, of which the planning commission may require profiles and typical cross-section of easements, tiles and catch basins.
5. Show the location and size of any existing and proposed easements (drainage, utility, etc.)
6. Soil suitability tests to be done and proposed sewage systems to be approved by the County Environmentalist.

Michael Rudder seconded the motion. All aye.

Location – 18th Civil District; Parcel 27.01 (Part), Franklin County, TN Property Map No. 90, located on Sherwood Road (U.S. Highway 56). **A RESOLUTION OF THE FRANKLIN COUNTY SCHOOL BOARD
REQUESTING THAT THE FRANKLIN COUNTY COMMISSION
APPROPRIATE ONE MILLION EIGHT HUNDRED THOUSAND
DOLLARS (\$1,800,000.00) FOR THE DESIGN AND CONSTRUCTION
MANAGEMENT SERVICES RELATED TO THE CONSTRUCTION OF
TWO NEW MIDDLE SCHOOLS IN FRANKLIN COUNTY.**

WHEREAS, the Franklin County School Board ("Board") is responsible for ensuring that the Franklin County School District ("District") has such buildings, facilities, and equipment as are necessary and appropriate for providing the best educational opportunities possible for the children of Franklin County; and

WHEREAS, the Board has long recognized that the District's two middle schools—North Middle School and South Middle School—are beset by ongoing and significant structural issues that contribute to an unsatisfactory educational environment and that limit the ability of the schools' teachers and staff to meet their students' needs and offer a more robust and diverse educational program;

WHEREAS, the Board seeks to retain the services of Binkley Garcia Architects to design two new middle schools to replace North Middle School and South Middle School;

WHEREAS, the Board also seeks to retain the services of Clardy Construction Consulting Company to provide construction management services to the Board in connection with the construction of the two new middle schools;

WHEREAS, Clardy Construction Consulting Company has presented the Board with a conceptual plan that would involve building one new middle school at the current location of South Middle School and the second at the current location of North Middle School;

WHEREAS: Clardy Construction Consulting Company has estimated that the design and construction management services associated with implementing this plan will cost approximately one million eight hundred thousand dollars (\$1,800,000.00) through completion of the project; and

WHEREAS, the Board desires to engage the services of Binkley Garcia Architects and Clardy Construction Consulting Company at this time so that the two new middle schools can be completed before the beginning of the 2020-2021 school year.

**NOW THEREFORE, BE IT RESOLVED BY THE FRANKLIN COUNTY
SCHOOL BOARD:**

Section 1. The Board respectfully requests that the Franklin County Commission appropriate one million eight hundred thousand dollars (\$1,800,000.00) for design and construction management services related to the construction of two new middle schools in Franklin County—one at the current location of South Middle School and the second at the current location of North Middle School.

RE: 2018 Annual Inflation Adjustment of the Financial Assurance for the *Franklin County Sanitary Landfill*, Permit No. **SNL260000123** as required by the Regulations of the Division of Solid Waste Management

Dear Mayor Stewart:

All county and municipal "Contracts in Lieu of Performance Bonds" must be adjusted annually for inflation by no later than the anniversary date of the issuance of the contract.

Rule Chapters 0400-12-01-.06(8) and 0400-11-01-.03(3) state that the inflation adjustment may be made by recalculating the closure and/or post-closure cost estimate in current dollars or by using an inflation factor derived from the most recent Implicit Price Deflator for the Gross National Product published by the U. S. Department of Commerce in its Survey of Current Business.

The staff of the Division of Financial Assurance & Business Process Improvement, utilizing data published by the U. S. Department of Commerce, has projected the inflation factor to be used for 2018 inflation adjustments as **1.80%**. The amount of your financial assurance instrument(s) from the Year 2017 must be multiplied by **1.0180**. The permitted facility and/or the Department may reserve the right to adjust this figure later based upon revised data released by the U. S. Department of Commerce during the year.

Effective immediately, any County or Municipal Contract in Lieu of Performance Bond incurring an annual inflation adjustment shall not be processed by amendment until the cumulative amount of the adjustment(s) equals or exceeds **TEN THOUSAND DOLLARS (\$10,000.00)**. This is a change from the previous threshold of Five Thousand Dollars (\$5,000.00). For example, if the inflation adjustment is \$4,000.00 in year one, \$5,000.00 in year two, and \$6,000.00 in year three, the amendment will be processed in year three when the total of adjustments exceeds \$10,000. We will continue to send your inflation adjustment figures annually for your records whether or not a contract amendment is required.

Please review the amount(s) for each permit listed below. If any changes or modifications to your permit(s) have occurred, please contact us as soon as you receive this letter. The due date(s) and projected amount(s) for the inflation adjustment(s) of your financial instrument(s) are as follows:

2018 Inflation Adjustment(s)

Facility Permit No.	Financial Instrument Type & No.	Financial Instrument Anniversary Due Date	Present Amount of Financial Assurance On File	Inflation Adjustment/ Increase Required	Inflation Adjustment and Allowable Post-Closure Reduction	Total Required Amount of Financial Assurance

Please see the attached spreadsheets, which list in detail the amount of financial assurance required due to the 2018 annual inflation adjustment and/or post closure reduction (if applicable) for your permit(s). The spreadsheets also list the current amount of financial assurance on file for each permit.

PLEASE NOTE

- (1) If you have been advised by the TDEC Field Office that the required post-closure activities at a permitted site listed herein have not been performed to the satisfaction of the Field Office Staff, do not reduce your financial assurance instrument until the Field Office has approved the performance of the required post-closure work.**

Please submit the inflation adjusted financial instrument to the Division of Financial Assurance & Business Process Improvement to my attention at the address listed on the letterhead as indicated above. Attachment 2: Calculating Financial Assurance From the Beginning To the End of the Post Closure Care Period

Facility : Franklin County Sanitary Landfill

Permit# : SNL260000123

This company closed in 1995 and is required to have 30 years of post closure care.
At closure in 1995 the cumulative inflation adjusted total of post closure was \$438,711.57.

or

This company has not yet begun post closure. The scheme below is simply an example of how post closure financial assurance will be adjusted annually for inflation.

This example assumes that the facility closed in _____ and is required to have _____ years post closure. At closure, the cumulative inflation adjusted post-closure amount was \$ _____ .00. Each successive year after closure, the post-closure amount is reduced by approximately one year's post-closure expense and the outstanding dollar amount of post-closure is adjusted for inflation.

The Contractor is not entitled to be paid the maximum liability for any period under the Contract or any extensions of the Contract for work not requested by the State. In which case, the Contractor shall be paid in accordance with the payment rates detailed in section C.3. The State is under no obligation to request work from

the Contractor in any specific dollar amounts or to request any work at all from the Contractor during any period of this Contract.

D.2. Modification and Amendment. This Contract may be modified only by a written amendment signed by all parties hereto and approved by both the officials who approved the base contract and, depending upon the specifics of the contract as amended, any additional officials required by Tennessee laws and regulations (said officials may include, but are not limited to, the Commissioner of Finance and Administration, the Commissioner of Human Resources, and the Comptroller of the Treasury).

D.3. Termination for Convenience. The State may terminate this Contract without cause for any reason. Said termination shall not be deemed a breach of contract by the State. The State shall give the Contractor at least thirty (30) days written notice before the effective termination date.

The Contractor shall be entitled to compensation for satisfactory, authorized service completed as of the termination date, but in no event shall the State be liable to the Contractor for compensation for any service which has not been rendered. Upon such termination, the Contractor shall have no right to any actual general, special, incidental, consequential, or any other damages whatsoever of any description or amount.

- D.4. **Termination for Cause.** If the Contractor fails to properly perform its obligations under this Contract in a timely or proper manner, or if the Contractor violates any terms of this Contract, the State shall have the right to immediately terminate the Contract and withhold payments in excess of fair compensation for completed services. Notwithstanding the above, the Contractor shall not be relieved of liability to the State for damages sustained by virtue of any breach of this Contract by the Contractor.
- D.5. **Subcontracting.** The Contractor shall not assign this Contract or enter into a subcontract for any of the services performed under this Contract without obtaining the prior written approval of the State. If such subcontracts are approved by the State, each shall contain, at a minimum, sections of this Contract below pertaining to "Conflicts of Interest," "Nondiscrimination," and "Records" (as identified by the section headings). Notwithstanding any use of approved subcontractors, the Contractor shall be the prime contractor and shall be responsible for all work performed.
- D.6. **Conflicts of Interest.** The Contractor warrants that no part of the total Contract Amount shall be paid directly or indirectly to an employee or official of the State of Tennessee as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the Contractor in connection with any work contemplated or performed relative to this Contract.
- D.7. **Nondiscrimination.** The Contractor hereby agrees, warrants, and assures that no person shall be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of this Contract or in the employment practices of the Contractor on the grounds of handicap or disability, age, race, color, religion, sex, national origin, or any other classification protected by Federal, Tennessee State constitutional, or statutory law. The Contractor shall, upon request, show proof of such nondiscrimination and shall post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.
- D.8. **Records.** The Contractor shall maintain documentation for all charges under this Contract. The books, records, and documents of the Contractor, insofar as they relate to work performed or money received under this Contract, shall be maintained for a period of three (3) full years from the date of the final payment and shall be subject to audit at any reasonable time and upon reasonable notice by the State, the Comptroller of the Treasury, or their duly appointed representatives. The financial statements shall be prepared in accordance with generally accepted accounting principles.
- D.9. **Prevailing Wage Rates.** All contracts for construction, erection, or demolition or to install goods or materials that involve the expenditure of any funds derived from the State require compliance with the prevailing wage laws as provided in *Tennessee Code Annotated, Section 12-4-401 et seq.*
- D.10. **Monitoring.** The Contractor's activities conducted and records maintained pursuant to this Contract shall be subject to monitoring and evaluation by the State, the Comptroller of the Treasury, or their duly appointed representatives.
- D.11. **Progress Reports.** The Contractor shall submit brief, periodic, progress reports to the State as requested.
- D.12. **Strict Performance.** Failure by any party to this Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this Contract shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision. No term or condition of this Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties hereto.

- D.13. **Independent Contractor.** The parties hereto, in the performance of this Contract, shall not act as employees, partners, joint venturers, or associates of one another. It is expressly acknowledged by the parties hereto that such parties are independent contracting entities and that nothing in this Contract shall be construed to create an employer/employee relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

The Contractor, being a Tennessee governmental entity, is governed by the provisions of the Tennessee Government Tort Liability Act, *Tennessee Code Annotated*, Sections 29-20-101 *et seq.*, for causes of action sounding in tort. Further, no contract provision requiring a Tennessee political entity to indemnify or hold harmless the State beyond the liability imposed by law is enforceable because it appropriates public money and nullifies governmental immunity without the authorization of the General Assembly.

- D.14. **State Liability.** The State shall have no liability except as specifically provided in this Contract.
- D.15. **Force Majeure.** The obligations of the parties to this Contract are subject to prevention by causes beyond the parties' control that could not be avoided by the exercise of due care including, but not limited to, natural disasters, riots, wars, epidemics, or any other similar cause.
- D.16. **State and Federal Compliance.** The Contractor shall comply with all applicable State and Federal laws and regulations in the performance of this Contract.
- D.17. **Governing Law.** This Contract shall be governed by and construed in accordance with the laws of the State of Tennessee. The Contractor agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Contract. The Contractor acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising therefrom, shall be subject to and limited to those rights and remedies, if any, available under *Tennessee Code Annotated*, Sections 9-8-101 through 9-8-407.
- D.18. **Completeness.** This Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions of the parties' agreement. This Contract supersedes any and all prior understandings, representations, negotiations, and agreements between the parties relating hereto, whether written or oral.
- D.19. **Severability.** If any terms and conditions of this Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions hereof shall not be affected thereby and shall remain in full force and effect. To this end, the terms and conditions of this Contract are declared severable.
- D.20. **Headings.** Section headings of this Contract are for reference purposes only and shall not be construed as part of this Contract.

E. SPECIAL TERMS AND CONDITIONS:

- E.1. **Conflicting Terms and Conditions.** Should any of these special terms and conditions conflict with any other terms and conditions of this Contract, these special terms and conditions shall control.
- E.2. **Communications and Contacts.** All instructions, notices, consents, demands, or other communications required or contemplated by this Contract shall be in writing and shall be made by certified, first class mail, return receipt requested and postage prepaid, by overnight courier service with an asset tracking system, or by EMAIL or facsimile transmission with recipient confirmation.
