RESOLUTION # 9h-0919

**RESOLUTION REGARDING FEES CHARGED TO INMATES WHO PARTICIPATE IN THE WORK RELEASE PROGRAM AT THE FRANKLIN COUNTY DETENTION FACILITY**

**WHEREAS**, the Board of County Commissioners of the Franklin County, Tennessee, is authorized by §4-21-510, T.C.A, as amended, to create a Work Release Program for persons sentenced to terms of imprisonment in the county detention facility by courts of competent jurisdiction; and,

**WHEREAS**, Franklin County recognizes the value of a Work Release Program to the community and to the sentenced prisoner, and established a Work Release Program for the Franklin County Detention facility; and,

**WHEREAS**, the statute which authorizes the creation of such a program also permits the collection of certain costs from Work Release inmates; and,

**WHEREAS**, when the Work Release Program was created, a \$45.00 per diem fee was established for inmates who participated in the Program, and that fee has not been reviewed or modified since that time; and,

**WHEREAS**, the cost of boarding and supervising inmates who participate in the Work Release Program has increased since that time, and the Franklin County Sheriff has requested that the Board of County Commissioners allow for an increase in the per diem fee to account for these increased costs.

**NOW, THEREFORE, BE IT HEREBY RESOLVED**, by the Board of County Commissioners of Franklin County, Tennessee, that pursuant to §4-21-510, T.C.A, as amended, the Sheriff of Franklin County is authorized to charge a per diem assessment of \$65.00 each week, or a lesser per diem assessment as determined by the sentencing court in a case of indigence, upon which a Work Release prisoner is temporarily released from the facility to attend work or seek work, to attend an educational institution or for medical treatment.

**BE IT FURTHER RESOLVED** that the payment of the per diem assessment shall entitle the Work Release prisoner to lodging, meals, and emergency medical care necessitated by sudden illness or accident occurring at the Franklin County Detention facility and rendered by the facility medical staff. The per diem charge shall not include health care rendered by providers other than the facility medical staff, nor shall it include hospitalization, surgical or dental care, ambulance service, & emergency medical services rendered outside the facility, drugs, or medication.

**BE IT FURTHER RESOLVED** that such assessment shall be payable to the Franklin County Sheriff by each Work Release prisoner on a weekly basis and in a manner prescribed by the Sheriff for such payment, and the Sheriff shall remit collected per diem assessments to the Franklin County Trustee on a monthly basis for deposit to the County General Fund.

**BE IT FURTHER RESOLVED** that the failure or refusal of any Work Release prisoner to promptly pay the per diem assessment described above shall constitute grounds for the suspension or termination of such prisoner from the Work Release Program.

**BE IT FURTHER RESOLVED** that the provisions of this Resolution shall become effective September 22, 2019, and shall apply to all Work Release prisoners of the Franklin County Detention Facility then participating in the Work Release Program, as well as all future participants in the Program.
