**MINUTES OF THE FINANCIAL MANAGEMENT COMMITTEE
OF THE FRANKLIN COUNTY BOARD OF COMMISSIONERS**

Tuesday, October 01, 2019

The Financial Management Committee of the Franklin County Commission met in a regular scheduled meeting Tuesday, October 01, 2019 in the Annex Community Room at 8:30 am the following were had to wit:

PRESENT: Committee Members – David Alexander, Mayor; David Eldridge, Co Commissioner; Carolyn Wiseman, Co Commissioner; Johnny Woodall, Highway Superintendent; Stanley Bean, Director of Schools; Andrea Smith, Ex Officio; Cindy Latham, Secretary. Visitors included Phillip Custer, Jennifer Stines, Janet Petrunich, Gary Clardy, Brian Justice, Randy Kelly, Tom Smith, Luke McCurry and Scott Smith.

Meeting was called to order by Mayor Alexander

Tom Smith gave an update on the jail project. Week of Oct 15-21 they should be moving into booking area, smoke e-vac system has been installed, gates will be installed on Friday and this will complete the men's recreation yard. The Fire damper problem has gone away and they would be working on the ceiling. No new issues at this time.

Gary Clardy gave an update on the Middle Schools. Making progress at both schools, one week they should be starting on installing the steel, masonry work is 80% at both schools, and slab is 25% at both. Roofs & windows are starting to arrive. Gyms are coming along, but dates for completion on them have been moved up to December. They are working with fire marshal on the number of people that can be in gym due to 2 of the 4 exits opening up into the construction zone. Clardy is projecting that technology/equipment will run about \$770,000 at North and \$650,000 at South, but stated that this is just a rough estimate at this time. Discussion of what would be the procedure if any new projects arose that was not in original plan when debt was issued and it was determined that the request would be made to Director Bean, forwarded to School Board, then to Finance committee and then sent to county commission.

Scott Smith gave update on Communication Project and stated that they were live in the valley and in the next couple of days equipment would be moved to mountain to begin work there. They still like some fine tuning and adjusting but they were continuing to move forward.

Andrea Smith stated that we are moving right along on the TCAT project. Windows are being installed and they have received paperwork for the extension to the back side of the building. With the extension they would be getting close in expending all allotted funds for that project. Mayor Alexander stated that there had been some issues with the sewer line but they were working to re-route them in order to save as many trees as possible.

1. ***MOTION** by Woodall, second by Bean to approve and send to the commission 09/03/19 Finance Minutes. The vote resulted in all Ayes, motion carried.
2. ***MOTION** by Bean, second by Wiseman to forward the August Sales Tax Report to the commission. The vote resulted in all Ayes, motion carried. Director Smith stated we were ahead about \$30,000 for the year at this point.
3. ***MOTION** by Wiseman, second by Woodall to forward the August Interest Report to the commission. The vote resulted in all Ayes, motion carried.
4. ***MOTION** by Bean, second by Wiseman to send to the commission the Finance Director's Reports for August. The vote resulted in all Ayes, motion carried

5. ***MOTION** by Eldridge, second by Woodall to receive & file and send to the full commission County Inter-Category Budget Amendments. The vote resulted in all ayes, motion carried.
6. ***MOTION** by Eldridge, second by Bean to approve the County General & Library Budget amendments and send to full commission. Vote resulted in all Ayes, motion carried.
7. ***MOTION** by Bean, second by Wiseman to approve the County General Budget amendment for matching share & MOU for the State Electronic Monitoring Indigence Fund. The vote resulted in all Ayes, motion carried.
8. ***MOTION** by Eldridge, second by Woodall to approve and send the Board of Education General Fund budget amendment to the full commission. The vote resulted in all Ayes, motion carried.
9. There being no further business ***MOTION** by Eldridge, second by Woodall to adjourn the meeting at 9:19 a.m. Vote resulted in all Ayes, motion carried.

Franklin County Solid Waste

1st Quarter Report FY 2019-2020

- Our contract with Nissan and others in the region for handling their wood waste has become a significant revenue source for my department. We are averaging an income of \$10,000 dollars a month with an increase coming in the near future. This will amount to \$120,000 dollars a year if the steady influx of material continues. This new market for us comes at a perfect time as steel/metal prices are at an all time low and cardboard is also at an all time low. This new revenue stream will offset the loss for the recycling market. Last budget cycle I had to drop \$70,000 dollars from the revenue line for the reduction in the market price of cardboard. I am confident this new venture will fix this shortfall. Come check out our ever-expanding wood operation. The decision of the commission to purchase a horizontal wood grinder a couple of years ago was a very lucrative one and it is keeping my department afloat. We have almost half way paid for the machine since its purchase only a couple of years ago.
- I am actively seeking partners and researching grants that would be available for an energy from waste facility. Over the next quarter, I along with our environmental consultants on contract will be traveling around the region making potential partnership pitches to governments and business. The cost to build such a facility will be tremendous but I stand by my statement that I will not ask the tax payers of franklin county to bear any of the burden. If the facility cannot be self sufficient then I will not ask you and the citizens to build it. Our alternative is to do nothing and keep relying upon big business to handle our waste. If my predictions are correct Franklin County will be paying over one million dollars a year within the next five years to dispose of trash. I have a really hard time putting the fate of this county in the hands of big business and us not being able to control our own destiny. More to follow as we continue trying to find alternatives to landfilling and save money for our future generations of franklin countians.

Very Respectfully,

FCSW Director: William Anderson

Franklin County REC/PAV Dept.

1st Quarter Report FY 2019-2020

- Dry Creek beach had record attendance this past summer. We had so many people on the weekends that parking is starting to become an issue. The beach is spectacular and is one of the most special county own facilities. We will be installing another pavilion and a playground with 100% funded grant money from the TN Department of Health during the next quarter. If you get a chance come visit the beach. Your constituents are able to rent it daily now that the season is over for \$150.00 per day. It would make an excellent wedding venue while the weather holds out.
- The Southern TN pavilion continues to see improvements in the facility and the land surrounding it. This is no doubt one of the many reasons why the fair was successful this year. As we continue to improve this structure others around our community are beginning to show interest in using the facility again. We need to keep this trend going and encourage its use to recoup some of our funding.
- The Farmer's Market will soon have a formal lease agreement with the Franklin County Farmers Market Association. The lease will go into effect on January 1st 2020. To date the lease has been primarily a handshake deal between the county and the organization.

Very Respectfully,

**RESOLUTION FOR LOCAL GOVERNMENT PARTICIPATION
IN THE ELECTRONIC MONITORING INDIGENCY FUND**

WHEREAS, pursuant to Chapter 505 of the 2019 Public Acts, a local government shall have the option to participate in the Electronic Monitoring Indigency Fund ("EMIF") relative to the payment of costs for eligible transdermal monitoring devices, other alternative drug and alcohol monitoring devices, and global positioning monitoring devices for its indigent defendants (collectively, "Devices"). Participation shall be demonstrated through a resolution legally adopted and approved by the Local Government's legislative body accepting the liability associated with participation and containing the budgeted amount that the Local Government commits to its participation in the EMIF;

WHEREAS, Franklin County "Local Government" desires to participate in the EMIF relative to the payment of costs associated with Devices until such time as the Local Government withdraws its participation in the EMIF.

WHEREAS, the Local Government agrees that in order to participate in the EMIF for the payment of costs associated with Devices, it shall adopt this resolution containing a budgeted amount for the upcoming fiscal year and sign a memorandum of understanding with the State of Tennessee ("State") about the payment of costs;

WHEREAS, through the memorandum of understanding between the Local Government and the State, the State may bill the local government for its budgeted amount by drawing from either the Local Government's Local Government Investment Pool ("LGIP") account or from a bank account designated by the Local Government for costs associated with Devices;

WHEREAS, the State may also obtain money from participating Local Governments for costs associated with Devices from the Local Government's state-shared taxes;

WHEREAS, through the Local Government's participation and for the duration of its participation period, the Local Government will be responsible for fifty percent (50%) of the cost associated with Devices that have been ordered on or after July 1, 2019;

WHEREAS, the Local Government understands through the execution of this document that the State will provide funds matching each Local Government's budgeted amount for participation in the fund, subject to an appropriation by the State and the solvency of either or both of the accounts contained in the EMIF;

WHEREAS, for each upcoming fiscal year, the Local Government agrees that it will work cooperatively with the State to develop its budgeted amount for participation in the fund prior to approval by the Local Government's legislative body to determine if the State anticipates having sufficient funds to provide its fifty percent (50%) match;

WHEREAS, for each year of participation subsequent to the Local Government's initial participation year, and no later than a date certain established by the State Treasurer, the Local Government shall notify the State Treasurer of the budgeted amount that is approved for its continued participation in the EMIF within thirty (30) days after the Local Government budget is approved by the local legislative body along with a copy of the approved budget; said budgeted amount shall appropriate the funds necessary for the Local Government to meet its liabilities;

WHEREAS, to the extent that the Local Government does not pay its costs associated with Devices, the State will cease paying its portion of the costs, and the State will not approve any claims or pay any invoices on a going forward basis until such time that the Local Government has sufficient funds;

WHEREAS, subject to applicable rules, policies, procedures and guidance from the State, a Local Government may amend its budget by reducing and not increasing its budgeted amount;

WHEREAS, the Local Government shall be solely responsible for its liability in its EMIF participation as indicated in applicable laws, rules, this resolution and memorandum of understanding; and

WHEREAS, should a Local Government withdraw its participation from the EMIF, the Local Government shall pay outstanding liabilities for Device invoices for claims that were approved during the period of time the Local Government participated in EMIF.

NOW, THEREFORE, BE IT RESOLVED the Board of Directors for the [insert name of Local Government's governing body] hereby authorizes the Local Government participation in EMIF with the Local Government being solely responsible for meeting the requirements, conditions, limitations and restrictions relative to the payment of its liabilities associated with participation in the EMIF. The Board of Directors has also adopted a budget appropriating the funds necessary to meet the Local Government's liabilities associated with its participation in EMIF and has committed a budgeted amount of 20,000.00 that will be used to fund its participation for the fiscal year beginning July 1, 2019. A copy of the budget is attached hereto;

ELECTRONIC MONITORING INDIGENCY FUND

MEMORANDUM OF UNDERSTANDING

WHEREAS, based on (*Franklin County*) “Local Government” participation in the Electronic Monitoring Indigency Fund (“EMIF”) by resolution, the Department of Treasury (“Department”) and the Local Government have agreed to enter into this memorandum of understanding (“MOU”). The EMIF shall be composed of two (2) accounts: an account used for the payment of eligible costs associated with the lease, purchase, installation, removal and maintenance of ignition interlock devices (“Ignition Interlock Account”) and an account used for the payment of eligible costs associated with the use of transdermal monitoring devices, other alternative alcohol or drug monitoring devices, and global positioning monitoring devices (“Other Alternative Drug and Alcohol Monitoring Device Account”).

I. PURPOSE

The purpose of this MOU is to outline the roles and responsibilities and the payment process for the Local Government costs associated with the Local Government’s participation in the EMIF relative to eligible transdermal monitoring devices; other alternative drug and alcohol monitoring devices; and global positioning monitoring devices for its indigent defendants (collectively, “Device” or “Devices”).

II. PAYMENT PROCESS

A. Through the Local Government’s participation in the EMIF, it will pay fifty percent (50%) of the costs associated with Devices for its indigent defendants with the State of Tennessee (“State”) paying the other fifty percent (50%), subject to the transfer of money from the Ignition Interlock Account to the Other Alternative Drug and Alcohol Monitoring Account as well as an appropriation by the State.

B. In obtaining money from the Local Government, the Department will bill the Local Government on a monthly basis by providing it with a statement of costs associated with Devices by either collecting the costs from the Local Government’s Local Government Investment Pool Account (“LGIP”) or a Local Government’s designated bank account. The Local Government chooses the following payment option (check one):

A journal draft from the Local Government’s LGIP account on a monthly basis for Device invoices. In order to utilize this option, the Local Government must deposit its full budgeted amount for participation in the EMIF with the Department in a lump sum within thirty (30) business days from the date the budgeted amount is approved. The Local Government’s funds will be placed in a designated LGIP account and will earn interest at the applicable rates to the credit of the Local Government; or

ACH draft from a bank account designated by the Local Government in twelve (12) equal monthly installments.

C. The State may also obtain money from participating Local Governments for costs associated with Devices from the Local Government’s state-shared taxes.

D. At the conclusion of any fiscal year, should the Local Government have a balance in either account option listed above in excess of its EMIF liabilities, the Local Government may opt to have the fund returned to the Local Government or roll the funds into the next fiscal year for participation in EMIF.

E. In the event that the Local Government fails to pay its liabilities as established in this MOU, the State may also obtain money from participating Local Governments for costs associated with Devices from the Local Government’s state-shared taxes.

F. Should the Local Government not pay its fifty percent (50%) of costs associated with Devices, the State will cease paying its portion of the costs and the Department will not approve any claims or pay any invoices as of the date that the Local Government cannot pay its costs and until such time that the Local Government has sufficient funds available to pay its costs as provided in this MOU.

III. DURATION

This MOU will become effective upon signature by the authorized representatives for the Department and the Local Government and will remain in effect until modified or terminated upon the mutual agreement of the Department and Local Government. This MOU will be automatically terminated if the Local Government withdraws its participation from the EMIF for the payment of costs associated with Devices, and the Local Government pays outstanding liabilities to the EMIF in accordance with the terms of this MOU and applicable laws, rules, policies, procedures and guidance.

IV. SURVIVAL

The terms, provisions, representations, and warranties contained in this MOU which by their sense and context are intended to survive the performance and termination of this MOU, shall so survive the completion of performance and termination of this MOU.

Mr. Bobby Clark

Franklin County Veterans Services

839 Dinah Shore Boulevard

Winchester TN 37398

Dear Mr. Clark:

This letter confirms our discussion of this date. I have two burial lots in Franklin Memorial Gardens of Winchester, TN I no longer need. Since the Franklin County Veterans Services is a nonprofit organization, I am interested in donating these lots to this organization to be used for indigent veterans. You have indicated your agreement. I request the following actions be taken by your organization for me to transfer these two lots to your organization.

First, please have an authorized representative of your organization sign in the space provided on the attached form in the space indicated as "Donee". Return the signed form to me. I will then distribute copies to Franklin Memorial Gardens advising them of this action. When you have opportunity to use these lots for an indigent veteran, Please contact Mr. James Cortner. His number is (931) 967-2222.

Second, please send me an acknowledgement of this donation on letterhead of your organization. That letter should acknowledge this donation indicating that no goods or services were received by me as a result of this donation. The IRS approval number of your tax exempt status is to be included in this letter. Note that Franklin Memorial Gardens now places a market value of \$1,000 of each lot or a total for this donation of \$2,000 for the two lots. A copy of their memorandum is enclosed to verify this value.

I look forward to this beneficial use of these lots! If you have any questions, please contact me.

Sincerely,

Norman A. Meeks
